Thursday, 25 June 2009

Zeus is a 6 year old neutered smooth male who was turned into Rescue when his owner moved from a house into an apartment. Zeus needs a fair amount of exercise and desperately wants his own person. He would do best as the only dog and has lived with cats in the past. Zeus seems to be suffering from separation anxiety and will need some work. He is currently located in Western MA. Please contact Kim Baker at [klbaker1@verizon.net](mailto:klbaker1@verizon.net) for details.
